1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Utilities, Inc., Account #5512239899, for residential water and residential wastewater service. I live alone and my current bill is usually \$60-\$63 per month.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The rate hike which Utilities, Inc., is asking for will result in almost a 44% increase in my bill. I am on a fixed income and simply cannot afford this hike. It seems extreme to say the least. I definitely am protesting this rate increase!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I will be happy to appear at the hearing to support a protest to this rate increase if it is held in the daytime. I am 73 years old and my night vision is not good.
